Durood Shareef ki Fazilat

”Sa'adatud Darain“ mein hai, Hazrat Sayyiduna Ibrahim bin Ali bin Atiyyah farmate hain: Maine khwab mein Janabe-Risalat Ma'aab **صلَّى اللّٰهُ عَلٰيْهِ وَسَلَّمَ** ka deedar kiya to arz ki: Sarkar! **صلَّى اللّٰهُ عَلٰيْهِ وَسَلَّمَ** Aap ki shafa'at ka talabgaar hoon. Sarkar **صلَّى اللّٰهُ عَلٰيْهِ وَسَلَّمَ** ne farmaya: ya'ni ”Mujh par kasrat ke sath Durood-e-Pak parha karo.“¹

Chaneli aur Zukaam ka ‘Ilaaj (Waqa)

Kehte hain ke Farsi Chanbeli (Persian jasmine) Irani Badshah Nausherwan (No-sher-waan) ke zamane mein daryaft hui. Hua kuch yun ke aik din badshah baitha hua tha ke achanak us ke saamne aik saanp nikal aaya aur kisi faryadi ki tarah pachhadein khane laga, sipahiyon ne usay maarna chaha to badshah ne unhein mana'a karte hue kaha: ”Dekho yeh karta kya hai?“ Badshah ki yeh baat sun kar saanp jahan se aaya tha usi taraf wapas chal para. Badshah bola: ”Is ka peeche karo aur dekho yeh kahan jaata hai?“ Sipahi saanp ke peeche peeche chalne lage, saanp aik kuwwein ke paas pahunch kar us kuwwein ki taraf dekhne laga, sipahiyon ne kuwwein mein jhaanka to dekha ke aik bahut bara saanp para hua hai aur us ki pusht par aik siyah (ya’ni kaala) bichhoo (Scorpion) sawaar hai, aik sipahi ne neza maar kar bichhoo ko qatl kar diya phir saanp ko waheen chhor kar tamam sipahi wapas aa gaye aur badshah ko saare muamle ki khabar di. Doosre din saanp munh mein kuch beej (Seeds) liye aaya aur badshah ke saamne rakh kar chala gaya. Badshah ne kaha: ”Saanp hamare ehsaan ka badla chukana chahta hai lehaza in beejon ko zameen mein bo do! Dekhte hain ke is se kya banta hai.“ Sipahiyon ne woh beej zameen mein bo diye. In se ”Chanbeli ka pauda“ nikla. Kehte hain badshah ko ”Zukaam“ tha, jab us ne chanbeli ka phool soongha to us ki yeh bimari jaati rahi.¹

Shifa Dene Wali Zaat

Pyare Pyare Islami bhaiyo! Allah Pak ne koi shai bekaar paida nahi farmayi. Allah Pak ka aik sifati naam ”شان (ya'ni shifa dene wala)“ bhi hai aur haqeeqi taur par bimariyon se shifa dene wali zaat sirf o sirf usi ki hai: ﴿وَإِذَا مَرْضَتْ فَهُوَ يَشْفِيْنِ﴾ Tarjuma-e-Kanz ul Iman: ”Aur jab main bimar hoon to wohi mujhe shifa deta hai.“¹

Azeem Tabi'i buzurg, Hazrat Ka'b al-Ahbar رَحْمَةُ اللَّهِ عَلَيْهِ bayan karte hain ke Allah Pak irshad farmata hai: Haqeeqi taur par main hi har marz ka ilaaj karta hoon.²

Insan aur Jinnat kyun paida kiye gaye?

Allah Pak ne insan aur Jinnat ko apni ibadat ke liye paida farmaya hai jaisa ke Parah 27, Surah Adh-Dhariyat, Aayat number

56 mein irshad hota hai: ﴿وَمَا خَلَقْتُ الْجِنَّ وَالْإِنْسَنَ إِلَّا لِيَعْبُدُونِ﴾

Tarjuma-e-Kanz ul Iman: ”Aur maine Jinn aur Aadmi itne hi (isi) liye banaye ke meri bandagi karein.“ Insan ko ibadat ke liye paida kiya gaya hai jabke deegar makhlooqat maslan chaand, suraj, sitare, janwar, parinde, phal, sabziyan aur jari bootiyan waghera insan ki zarooriyat ke liye paida farmayi gayi hain taake hum in se apni ghiza waghera haasil karke dil laga kar apne Khaaliq o Maalik ki itaat o farmanbardari karein. Qabil-e-Tawajjuh Teen Cheezein

Hazrat Sufyan bin Uyainah رَحْمَةُ اللَّهِ عَلَيْهِ ne farmaya: Agar Allah Pak teen cheezon ke zariye insan ki haisiyat kam na karta to koi bhi cheez insan ko qaabu na kar sakti woh teen cheezein lazmi taur par insan mein hain magar phir bhi insan bahut uchhalta hai woh teen cheezein yeh hain: Mohtaji, Bimari aur Maut.¹

Achhi Sehat Ne'mat hai

Pyare Pyare Islami bhaiyo! Zindagi mein insan tarah tarah ki bimariyon mein mutbala ho hi jaata hai. Bimariyan kisi ke gunah mitane ka aur kisi ke darje barhane ka sabab banti hain aur kabhi bimari dunya mein saza bhi hoti hai taake banda tauba karke apni zindagi Allah Pak ke ahkaamat ke mutabiq guzare.

¹ Hilyat al-Awliya, vol. 7, p. 327, Qawl: 10710. Allah walon ki baatein, vol. 7, p. 330

Achhi sehat bahut bari ne'mat hai. Agar sehat achhi hogi to Allah Pak ki ibadat, Namaz, Roza aur Hajj waghera mein aasani rahe gi. Bimar shakhs ko achhi tarah ibadat karne mein dushwariyan balke basa awqat aam ma'moolat mein bhi tarah tarah ki aazmaishon ka saamna hota hai. Hamein har haal mein Allah Pak ki riza par raazi rehna chahiye, woh tandurust rakhe to bhi us ka shukr hai aur agar hum bimar ho jayein to bhi us ka shukr ada karna chahiye. Hadith-e-Qudsi mein hai, Allah Pak irshad farmata hai: Beshak mere ba'z Momin bande aise hain ke un ke Iman ki bhalai sehat mand rehne mein hai agar main unhein bimar kar doon to is bina par un ka Iman kharab ho jaye ga. Beshak mere ba'z Momin bande aise hain ke un ke Iman ki bhalai bimar rehne mein hai agar main unhein sehat ata kar doon to is ki wajah se un ka Iman kharab ho jaye ga. Main apne Ilm se apne bandon ke mu'amalaat ka intezam farmata hoon, beshak main Aleem o Khabeer (ya'ni jaanne wala batane wala) hoon.¹

Ilaaj karwane ki Targheeb

Pyare Pyare Islami bhaiyo! Allah Pak ke pyare pyare Aakhri Nabi, Makki Madani Muhammad-e-Arabi ﷺ ne bimari mein ilaaj karwane ki targheeb irshad farmai hai aur hamare pyare Aaqa ﷺ se bhi ilaaj karwana saabit hai chunanche Hadith-e-Pak mein hai: Huzoor ﷺ ne halat-e-Ihram mein Hajaamah karwaya.²

Allah Pak ki ibadat karne, sunnaton par amal karne, neki ki dawat dene aur Aashiqan-e-Rasool ke sath sunnatein seekhne aur sikhane ke teen din, 12 din aur aik maah balke zahe naseeb! 12 maah ke qaafilon mein safar karke sunnaton ki dhoomein machane ki achhi achhi niyyaton ke sath bimari mein ilaaj karwaiye. Allah Pak chahe to kaise kaise mareez theek ho jaate hain is hawale se aik bara dilchasp waqea parhiye:

Qaatilana Hamle ne Tandurust kar Diya

Kehte hain: Haakim-e-Mawsil (Iraq ka aik sheher) Nasir ud Daulah ko Qulanj (bari aantri Big intestine) ka dard hua, tabeeb is ka ilaaj kar kar ke tang aa gaye lekin marz theek na hua. Aakhir-e-kaar un logon ne Nasir ud Daulah ke qatl ka mansooba banaya aur aik aadmi ko is kaam par laga diya. Qaatil khanjar liye taak mein baith gaya. Jaise hi Nasir ud Daulah apne mahal ki dehleez par aaya ghaat mein baithe qaatil ne khanjar ka waar kiya jo pehlu ke neeche theek usi aant par laga jis mein Qulanj ka dard tha, khanjar lagne se aant ka ganda mawad beh nikla aur haakim Nasir ud Daulah marne ke bajaye bilkul theek ho gaya.¹

Shifa Milne na Milne ka Raaz

Allah Pak ke pyare pyare Aakhri Nabi ﷺ ka Farman-e-Sehat Nishan hai: "Har bimari ki dawa hai, jab dawa bimari

tak pahuncha di jaati hai to Allah Pak ke hukm se mareez achha ho jaata hai.¹

Hazrat Allama Ali Qari رَحْمَةُ اللَّهِ عَلَيْهِ is Hadith-e-Pak ki sharah mein likhte hain: Allah Pak jab kisi bimar ki shifa nahi chahta to dawa aur maraz ke darmiyan aik farishte ke zariye aa'rr (ya'ni rukawat paida) kar deta hai jis ki wajah se dawa maraz par waqe nahi hoti, jab shifa ka irada hota hai to woh pardah hata diya jaata hai jis se dawa maraz par waqe hoti hai aur shifa ho jaati hai.²

Pyare Pyare Islami bhaiyo! Is risale mein bayan kiye gaye tamam desi nuskhe Hakeem sahib se check karwaye gaye hain.

الْحَمْدُ لِلَّهِ! In nuskhon ka maqsad Allah Pak ki riza haasil karne ke liye khair khwahi-e-Ummat hai aur Ummat ki khair khwahi bahut bare sawab ka kaam hai. Hadith-e-Pak mein hai:

يَا نَبِيُّنَا أَكْفَعْهُمْ بِرَبِّهِمْ خَيْرُ الْأَنْسَابِ ya'ni behtareen shakhs woh hai jo logon ko faida pahunchaye.³

Allah Pak ke Pyare Habeeb, hum gunahon ke mareezon ke tabeeb ﷺ ka aik aur farman hai: Tum mein se jo koi apne bhai ko faida pahuncha sakta ho to usay faida pahunchana chahiye.⁴

Ilm-e-Tibb ki Maloomat

Hazrat Allama Faqeeh Abul Laith Samarqandi رَحْمَةُ اللَّهِ عَلَيْهِ farmate hain: Tabeeb is baat par muttafiq hain ke Tibb (ya'ni ilaaj mu'alje ke ilm) mein parhez se ziyada faida pahunchane wali koi cheez nahi. Aik Sahabi رَضِيَ اللَّهُ عَنْهُ se riwayat hai ke unhon ne aik shakhs ko farmaya: Kya tumhein aisi Tibb na bataun jis se tamam Atibba aajiz hon? Arz kiya gaya: Kyun nahi! Farmaya: Woh yeh hai ke dastar khwan par us waqt baitho jab tumhein khoob bhook lagи ho aur abhi bhook baqi ho aur uth jao.¹

Insani Tabiyatein

Hazrat Faqeeh Abul Laith Samarqandi رَحْمَةُ اللَّهِ عَلَيْهِ farmate hain: Allah Pak ne makhlooq ko paida farmaya aur us mein chaar tabiyaton ko rakha: {1} Yaboosat (ya'ni khushki) {2} Ratoobat (ya'ni tari) {3} Hararat (ya'ni garmi) {4} Buroodat (ya'ni thandak).

Aap رَحْمَةُ اللَّهِ عَلَيْهِ farmate hain: Allah Pak ne nafs ke andar in chaaron ko rakha hai taake jism ki islah ho kyunke in ke baghair badan ka sahih rehna mumkin nahi. Jis badan mein yeh chaaron barabar hon gi to woh tandurust rahe ga aur jab in mein se aik cheez doosri par ghaliq ho to us taraf se bimari aa jaati hai. Aur in mein se jo thori ho to us taraf se kamzori aa jaati hai.²

Pyare Pyare Islami bhaiyo! Allah Pak ne insan ke jism mein teen

sau saath (360) ragein (Veins) aur badan ko jakarne, milane aur is ki durusti ke liye do sau artalees (248) haddiyan (Bones) paida farmayi hain. Allah Pak Quran Majeed mein irshad farmata hai:

وَفِي الْأَرْضِ أَيْتُ لِلْمُؤْمِنِينَ ۝ وَفِي أَنفُسِكُمْ أَفَلَا تُبَصِّرُونَ ۝

Tarjuma-e-Kanz ul Iman: "Aur zameen mein nishaniyan hain yaqeen walon ko aur khud tum mein to kya tumhein soojhta nahi"¹

Tafseer-e-Quran "Noor ul Irfan" mein hai: Ya'ni Mominon ke liye zameen ma'rifat-e-Ilahi (Allah Pak ki pehchan) ka daftar hai woh is zameen ke halaat ko dekh kar Rab ki qudrat balke Hashr o Nashr, Jannat o Dozakh ko maan lete hain, zameen khushk ho kar phir sar-sabz ho jaati hai maloom hua ke hamein bhi mar kar jeena hai, zameen mein jo bo'o ge wohi kaato ge maloom hua ke wahan hisaab o kitaab hai. Tumhari paidaish, a'za ki ajeeb tarreeb dunya mein tumhare halaat ka badalna, sab kuch ho kar kuch na rehna bata raha hai ke tum kisi aur ke qabze mein ho.²

Hikmat ke 'Ilaaj ka Tareeqa-e-Kaar

Pyare Pyare Islami bhaiyo! Herbal (ya'ni Hakeemi) ilaaj zid ke zariye hota hai ya'ni agar badan mein sardi saudawiyat (ya'ni sard kaifiyat) barh gayi ho to safrawi (ya'ni garam mizaj ki) ghizaon aur dawaon se ilaaj kiya jaata hai. Isi tarah agar balghami mizaj wale ke badan mein tari balgham barh gayi ho to damawi (ya'ni khushk) dawaon aur ghizaon se ilaaj kiya jaye ga.

Yaad rakhiye! Tibb ki yeh chand batein parhne se koi tabeeb nahi ban sakta, mareez ke ilaaj ke liye aur bahut si cheezon ko dekhna hota hai neez in qawai'd mein bhi bahut tafseel aur bareekiyān hoti hain jin ko samajhna har aik ke bas ki baat nahi lehaza kisi bimari mein Tibb ki kitabein parh kar khud hi se ilaaj karne ke bajaye kisi achhe tabeeb se ilaaj karwaya jaye.

'Ilaaj ki Ehtiyatein

Tandurusti mein i'tidal (ya'ni tawazun) ke sath tamam hi mizajon ki ghizayein istemal ki ja sakti hain magar halat-e-maraz mein khaas khayal kijiye aur apne mizaj, maraz aur

¹ Riyaz-e-Naeem, p. 17

mausam ke mutabiq hi ghizayein lijiye. Garam safrawi mizaj wale ko agarche tarbooz (watermelon) bahut faida pahunchane wala hai magar yeh sardiyon mein nahi khaya jaye ga neez aik ahem baat yeh bhi hai ke sard aur tar yeh dono mizaj qareeb qareeb hain. Isi tarah garam aur khushk mizaj qareeb qareeb hain. (Ya'ni in ki ghizayein aur parhez milti jultи hain)

Baarish aur Aam ka Ta'alluq

Baarishon se pehle ya baad mein aam khane ka koi ta'alluq nahi magar awam mein yeh baat mash'hoor zaroor hai ke garmi ke mausam mein aam, baarish ho jaane ke baad hi khaya jaye. Mumkin hai woh afraad jin ka mizaj safrawi (ya'ni garam) hai, un ke liye baarish ke baad aam munasib miqdaar mein khana is liye faiday mand rehta ho ke baarishon ke baad garmi mein kami aur mausam mein nami barh jaati hai magar deegar mizaj maslan sard mizaj ya tar (ya'ni balghami mizaj) wale afraad

Rohani aur Tibbi Ilaj

munasib miqdaar mein baarish se pehle ya baad mein jab bhi khayein faida hi hogा.

Yeh bhi mumkin hai ke log deegar phalon ki nisbat aam ziyada miqdaar mein musalsal khate hain aur paani kam peene ki aadat hoti hai aur aam taur par garmi ke mausam mein bhi ziyada muraghan (ya'ni ghee, tel wali) ghizayein istemal ki jaati hain yun bare aur bachche dono garmi daanon se mutaasir ho jaate hain. Yeh bhi kaha jaata hai ke market mein shuru shuru mein jo aam aate hain woh "Carbide (Calcium carbide)" naami chemical se pakaye jaate hain. Jab tak baarish ka mausam aata hai tab darakhton par lage aam bhi pak jaate hain jo sehat ke liye faiday mand hote hain aur chemical wale na-munasib.

Tajruba Shart hai aur Sau Dawa ki Ik Dawa Parhez hai

Koi Ilaj Yaqeeni nahi

Tajruba karne walon ka muhawra hai: ﴿يَا أَيُّهُمْ رَبِّ الْأَنْوَارِ﴾ ya'ni ilaaj andheron mein teerandazi hai. Matlab yeh ke ilaaj chahe kaisa bhi ho us se shifa milna "zanni" hai yaqeeni nahi, jo log shartiya ilaaj ka board lagate hain unhein bhi aise jumle likhne mein ehtiyat karni chahiye kyunke shifa min jaanibillah (ya'ni Allah Pak ki taraf se) hai aur Allah Pak ke chahne hi se shifa milegi agar woh na chahe to dawa zeher ka kaam bhi kar sakti hai jaisa ke adwyiat (Medicine) ke reaction ke kai waqaeeat aaye din sunne ko milte rehte hain balke kabhi kabhi akhbarat mein bhi chhap jaate hain. Hamari tawajjuh sirf o sirf Allah Pak ki taraf lagi rehni chahiye aur us se dua karte rahein. ﴿نَسْأَلُ اللَّهَ الْعَافِيَةَ﴾ ya'ni hum Allah Pak se aafiyat ka sawal karte hain.
