Markazi Majlis-e-Shura

Excellence of Salat-‘Alan-Nabi ﷺ

The Blessed and Beloved Prophet صَلَّى اللهُ تَعَالَى عَلَيْهِ وَآلِهِ وَسَلَّمَ has stated: Whoever recites Salat one time upon me, Allah عَزَّوَجَلَّ writes one Qiraat reward for him and Qiraat is equal to the mountain ‘Uhud’.

(Musannaf Abdur Razzaq, vol. 1, pp. 51, Hadees 53)

MADANI MASHWARAH

Central advisory board and Nigran of Kabinaat and Majlis Overseas and
‘Aalami Majlis Mushawarat

‘Aalami Madani Markaz Faizan-e-Madinah

Bab-ul-Madinah (Karachi)

16 to 18 Muharram-ul-Haraam, 1437 AH (30th October to 1st November, 2015)

Do not select bad names

It is not permissible to mention any Muslim with a bad name, though; he is a sinner as it is mentioned in the Glorious Quran:

وَلَا تَلْمِزُوا أَنْفُسَكُمْ وَلَا تَنَابَزُوا بِالْأَلْقَابِ
بِئْسَ الْإِسْمُ الْفُسُوقُ بَعْدَ الْإِيمَانِ وَمَنْ لَّمْ يَتُبْ فَأُولَئِكَ هُمُ الظَّالِمُونَ ﴿٣٣﴾

Translation from Kanz-ul-Iman: ‘And do not insult one another, nor assign evil nicknames; how base it is to be called a sinner after being a Muslim! And whoever does not repent - then it is they who are unjust.’

(Part 26, Surah Al-Hujurat, verse 11)

It is stated in Tafseer (commentary) of Khaza'in-ul-Irfan: Do not give bad names to one another which are disapproving for them. Ruling: Sayyiduna Ibn-e-Abbas رَضِيَ اللَّهُ تَعَالَى عَنْهُمَا said: If any person has sought forgiveness from any wrongdoing, after that, it is prohibited to make him feel ashamed of his that evil act and it is also prohibited. Some blessed scholars have said: To call any Muslim dog, donkey or pig also falls in the same category. Some blessed scholars said: It refers to those titles which defame or disrespect Muslim and those are disapproving for him but words of praising which are true are not prohibited such as the title of Sayyiduna Abu Bakr رَضِيَ اللَّهُ تَعَالَى عَنْهُ is ‘Ateeq’, the title of Sayyiduna Umar رَضِيَ اللَّهُ تَعَالَى عَنْهُ is ‘Farooq’, title of Sayyiduna Usman رَضِيَ اللَّهُ تَعَالَى عَنْهُ is ‘Ghani’, the title of Sayyiduna Ali رَضِيَ اللَّهُ تَعَالَى عَنْهُ is ‘Abu Turab’ and the title of Sayyiduna Khalid رَضِيَ اللَّهُ تَعَالَى عَنْهُ is ‘Saifullah’ and those titles which become one’s recognition and are not disapproving for him are also not prohibited for example اعش، اعرج.

1. Keep yourself attached to the people of knowledge and ask them whatever you do not know as it is mentioned in the Glorious Quran:

فَسْأَلُوا أَهْلَ الذِّكْرِ إِنْ كُنْتُمْ لَا تَعْلَمُونَ ﴿٧﴾

Translation from Kanz-ul-Iman: ‘O people, ask the people of knowledge if you do not know.’

(Part 17, Surah Al-Anbiya, verse 7)

It is mentioned in Tafseer Khaza'in-ul-Irfan: Because the person who is unaware has no alternative but to ask the people who know about it and it is the cure of the disease of ignorance that it is asked from the scholar and act upon his instruction.

Fortunate people who safeguard the trust

2. We should safeguard (all) the trusts and those who do so have been given the glad tiding of Jannah.

وَالَّذِينَ هُمْ لِأَمْتِهِمْ وَعَهْدِهِمْ رِعُونَ ﴿٨﴾

Translation from Kanz-ul-Iman: ‘And those who keep proper regard for their trusts and their pledges.’

(Part 18, Surah Al-Mu'minoon, verse 8)

It is mentioned in ‘Tafseer Khaza'in-ul-Irfan’: Whether those trusts belong to Allah عَزَّوَجَلَّ or creature, similarly the pledge, be belong to Allah عَزَّوَجَلَّ or creature needs fulfilment.

The Noblest Prophet صَلَّى اللهُ تَعَالَى عَلَيْهِ وَآلِهِ وَسَلَّمَ has stated: ‘Guarantee me six things and I guarantee you Jannah.

1. Whenever you speak say the truth. ‘
2. Fulfil your promises when you make them.
3. When you are entrusted with something, carry that trust.
4. Safeguard your private parts.

5. Lower your gaze.
6. Prevent your hands from harming others.

(Musnad-e-Imam Ahmad Bin Hanbal, vol. 8, pp. 412, Hadees 22821)

Breach of trust leads to Hell

Without Shar'i permission, using or spending someone's trust is called breach of trust. *(Umdah-tul- Qaari, vol. 1, pp. 328)*

Trustworthiness is Wajib (obligatory) upon every Muslim and breaching of trust is a Haram act leading to Hell. *(Al-Hadiqah-tul-Nadiyyah, vol. 1, pp. 652)*

يَا أَيُّهَا الَّذِينَ آمَنُوا لَا تَخُونُوا اللَّهَ وَالرَّسُولَ وَتَخُونُوا أَمْنَكُمْ وَأَنْتُمْ تَعْلَمُونَ ﴿٢٤﴾

Translation from Kanz-ul-Iman: 'O People who Believe! Do not betray Allah and His Noble Prophet, nor purposely defraud your trusts.'

(Part 9, Surah Al - Anfaal, verse 27)

Breach of trust is a sign of hypocrisy

The Noblest Prophet ﷺ has stated: There are three signs, if found in somebody, will be hypocrite though he offers Salah regularly and observes fast regularly: (1) When he speaks he lies. (2) When he promises he breaks his promise. (3) When he is entrusted he betrays the trust.'

(Muslim, pp. 50, Hadees 107)

Admonitory consequence of betrayer

Some people came to Sayyiduna Abdullah Bin Abbas رضى الله تعالى عنه and requested: We have embarked on the journey of Hajj and a man from our Qafilah has died at the place 'Maqaam-e-Sifah'. When we dug a grave for him, we saw a big black snake inside the grave sitting, occupying the whole area of grave, we dug another grave, but we found the same snake inside. Now, we are here to ask you the solution. Sayyiduna Abdullah Bin Abbas رضى الله تعالى عنه said:

‘This is the punishment of breach of trust committed by him, bury him any of these two graves. I swear to Allah عَزَّوَجَلَّ! If you dig any soil of this world, you will face same situation.’ After all, people buried him in the grave occupied by the snake. On return, they returned his luggage to his family and inquired his wife about his misdeed. She said: ‘He used to sell the food and would betray in it such as he would take out some food for his house and would adulterate something else in order to make up the deficiency.’

6. Causes of breach of trust

1. First cause is evil intention. The way good intention is a cure for character and reputation, similarly, evil intention destroys the deeds of the bondsman.

The cure of this epidemic is that one should keep his intention correct and make up his mind that Allah عَزَّوَجَلَّ is All-Powerful to bestow me success in the world and Hereafter by virtue of my honesty and good intention. Therefore, what one can gain by committing breach of trust incurring the loss in the world and Hereafter?

2. Another reason behind committing breach of trust is the ‘habit of deceiving and cheating’. The cure of it is that one should keep the disadvantages of cheating in his mind that cheating is a very wicked and disgusting act and the Noblest Prophet صَلَّى اللهُ تَعَالَى عَلَيْهِ وَآلِهِ وَسَلَّمَ has also showed aversion towards cheater and deceiver. Cheating is not the trait of any Muslim. Cheating not only damages one’s reputation but cheater also loses the trust and confidence of others. Therefore, take care of the respect of Muslim every moment and make up his mind that certainly it is not the wisdom to bring oneself into perpetual danger for merely a transitory benefit.
3. The third reason of following the path of breaching of trust is the lack of trust in Allah عَزَّوَجَلَّ. Because one has such thinking that success lies in the way of breach of trust due to his weak conviction. The cure of it is that

one should have implicit faith in Allah عَزَّوَجَلَّ and make up his mind that whatever act or way brings about the disobedience to Allah عَزَّوَجَلَّ, can never result in success. Therefore I would adopt the way of trustworthiness, giving up the way of breaching of trust. The fourth reason behind following the breaching of trust is fulfilling the worldly desires. The cure of it is that one should make accountability of his Nafs (self), seek the awareness of its dangers and tricks and make up his mind-set to give up the un-Islamic and worldly desires and also make effort for this cause, so that he could protect himself from the grave sin like breach of trust.

4. The fifth reason behind breaching of trust is the ‘Habit of causing loss to Muslims’; and this reason leads to other inner-self diseases and one of them is also a breach of trust. The cure is that one should develop the passion of serving Muslims and keeping the torments of bearing ill-feelings against Muslims in his mind. The sixth reason of breaching of trust is the wicked company; sometimes, human accepts each advantage and disadvantage attached to the environment he lives in which obviously make impact on his personal character and nature, especially by the dishonesty of ill-mannered he impresses so early. The cure of it is that he should have the company of virtuous and Allah-fearing people so that he could protect himself from other ethical and moral epidemics along with this deadly disease. *(Baatini Bimariyon ki Ma'lumaat, pp. 175 to 179)*

Sayings of Ameer-e-Ahl-e-Sunnat دَامَتْ بَرَكَاتُهُمُ الْعَالِيَةِ

- ❖ I like to visit India so much, Ahmedabad is worth-seeing and there are plenty of shrines in this city.
- ❖ Pray for peace when circumstances are adverse, pray is also a weapon.

Keep getting performance report

- ❖ Getting performance report of Madani activities is also one of the most important activities of Dawat-e-Islami.

- ❖ Check the performance of the departments, review the weak points and try to take steps to remove the weaknesses.
- ❖ All Nigrans should remain in contact constantly with their Zimmahdaran Islamic brothers who are serving directly under their guidance. This contact should be done in such a close way that parents have generally with their children.
- ❖ A subordinate can carry out activities under supervision but cannot perform under pressure.
- ❖ Sayyiduna Umar Farooq-e-A'zam رَضِيَ اللهُ تَعَالَى عَنْهُ had launched the 'Justice System', which contained the system of examining the governors.
- ❖ Islamic brothers while carrying out Madani activities become lazy, questioning and discussion bring improvement.
- ❖ There is a great difference between the general Madani activities and institutional activities. The performance of institutional department is always strong.
- ❖ Weaknesses may occur in any institution, if that institution admits its weaknesses and tries to remove them then it becomes strong.
- ❖ Things are done by visiting in person; it is difficult to bring progress in Madani activities by merely phone calls.
- ❖ The member of Shura and Nigran-e-Kabinaat should visit different stalls of animal hides, it encourages the Islamic brothers.
- ❖ In case of observing any organisational mistake, try your utmost to make other understand and try to enforce the organisational code of conduct. It is also our organisational responsibility.

- ❖ Along with getting performance report it is utmost important to comply in accordance with the organisational code of conduct, to act upon it and persuading others to do so.

Important Madani pearls about Madani Mashwarah

Madani Mashwarah is essential for the progress of Madani activities. Ensure to act upon the following Madani pearls:

- ❖ Do not be late for Mashwarah, if you get late due to any valid reason then explain it seeking an apology.
- ❖ In Madani Mashwarah, do not mention your own act and efforts for persuading others rather relate the parables of Noblest Prophet ﷺ, blessed companions, Ahl-e-Bayt رَضِيَ اللَّهُ تَعَالَى عَنْهُمْ and blessed saints رَحِمَهُمُ اللَّهُ تَعَالَى.
- ❖ Do not tease and taunt others in Madani Mashwarah.
- ❖ Make constructive conversation, refraining yourself from criticism.
- ❖ Do not make anybody understand directly in Madani Mashwarah rather make understand collectively without mentioning name.
- ❖ Try to avoid irrelevant conversation.
- ❖ Madani Mashwarah should be concluded at its fix time.
- ❖ When talking to the people about the personality of Ameer-e-Ahl-e-Sunnat, discuss only those areas which are according to their wisdom.
- ❖ Attend Madani Mashwarah and Bayan on time according to the schedule you had set.

Abide by the rules

- ❖ How great is an organisational responsible Islamic brother, who concludes his Bayan and Du'a in the weekly congregation according to the time fixed by Madani Markaz. The weekly congregation should be finished within two hours after Maghrib Salah. From Zayli level to central Majlis Shura, all responsible Islamic brothers should act upon it and persuade others to do so.
- ❖ We all are bound to act upon according to the prescribed method of Dawat-e-Islami.

Refrain from the destruction of position and knowledge

- ❖ Whatever post and position one occupies worldly or religious, he should try to refrain from the destruction of post, arrogance, lust for world etc.
- ❖ Study is necessary to prevent ourselves from the destruction of knowledge. Read Ihya-ul-'Uloom vol. 01, from page 201 to 282.
- ❖ The severity and bitterness of being answerable is acute than the pleasure of power.
- ❖ The designation of Nigran-e-Kabinaat is the most sensitive post. All departments work under Kabinaat.

Miscellaneous Madani pearls

- ❖ 'Muta'di' (the act that brings about others' benefit) is greater than the act 'Laazim' (the act that is good to one's own self). *(Nayki ki Dawat, pp. 31)*
- ❖ Madani activities of Dawat-e-Islami should be carried out in every institution.
- ❖ Have deep yearning of devotion to the Noblest Prophet ﷺ is also a reward-able act.

- ❖ Keep such Islamic brother with you who informs you when you commit any mistake and should be such a trustworthy who does not disclose it to others.
- ❖ No reformation can be attained unless one stops committing mistake.
- ❖ It is a job of Nigran and Zimmahdaran to conceal others' faults, not disclosing them.
- ❖ New Madani work should be assigned to new emerging Islamic brother. If it is assigned to an already busy Islamic brother then sometimes that work lacks perfection.
- ❖ Correct word is پوچھ گچھ, it is not پوچھ گچھ. (There is diacritic mark on گاف)
- ❖ Capable Islamic brothers should be promoted, Madani Tarbiyat (training) should be imparted to them, they should also be encouraged in the presence of other Islamic brothers and they should be assigned responsibilities.
- ❖ It is necessary to keep in view the aims and objectives of Shari'ah.
- ❖ Responsible Islamic brothers of different departments should strengthen their department by cooperation and coordination with each other. One department should help the other department.

Madani Muzakarabs

- ❖ The member of Shura, Nigran-e-Kabinaat and the responsible Islamic brothers of Pakistan level should make the schedule of attending weekly Madani Muzakarab of different cities. Nigran e Kabinah, Nigran e Division, city Mushawarat should prepare for the city where Rukn-e-Shura is supposed to visit and after Madani Muzakarab, Islamic brothers should be persuaded to travel with Madani Qafilah. In this Madani Muzakarab congregation, Maktaba-tul-Madinah and Ta'wizaat-e-

Attariyyah stalls should also be put up. **إِنْ شَاءَ اللَّهُ عَزَّوَجَلَّ** through this city, Madani activities in many other cities will also be strengthened.

- ❖ On Saturday, offer your Isha prayer where you have to attend Madani Muzakarah.
- ❖ Like 11 Madani Muzakarahs held in Muharram-ul-Haram, more or less 13 in Rabi'-ul-Awwal and 11 Madani Muzakarah in the month of Rabi'-ul-Aakhir will be held **إِنْ شَاءَ اللَّهُ عَزَّوَجَلَّ**. Nigran-e-Pakistan Administrative Kabinah should make the schedule of Shura members and Nigran e Kabinaat, where would they attend the Madani Muzakarah of Giyarhween Sharif and Bharween Sharif, and email the concerned responsible Islamic brothers and Nigran-e-Shura. Target: 15 Safar-ul-Muzaffar 1437.
- ❖ When Ameer-e-Ahl-e-Sunnat **دَامَتْ بَرَكَاتُهُمُ الْعَالِيَةِ** meets Islamic brothers, the responsible Islamic brothers should make individual efforts upon them. The responsible Islamic brother should not meet rather let other Islamic brothers meet and if they want to meet then they should meet along with those Islamic brother whom they have brought.

The Importance of Madani donations

- ❖ If you want to flourish the Madani activities of Dawat-e-Islami then you will have to increase the Madani donations.

Sayyiduna Habeeb Bin Ubayd رَضِيَ اللهُ تَعَالَى عَنْهُ said: I saw Sayyiduna Miqdaam Bin Ma'di Karb رَضِيَ اللهُ تَعَالَى عَنْهُ in this condition in the Bazar that his maid was selling milk and he رَضِيَ اللهُ تَعَالَى عَنْهُ was sitting there taking money (i.e., Dinar) for milk from the people. To which somebody asked him about it, he said: I have listened the Noblest Prophet صَلَّى اللهُ تَعَالَى عَلَيْهِ وَآلِهِ وَسَلَّمَ saying: Dirhams and dinars will become so important that in the last era people's Deen and world will depend on it.

(Al-Mu'jam-ul-Kabeer, vol. 20, pp. 279, Hadees. 660)

- ❖ Everyone is not capable of increasing the Madani donations.
- ❖ There is a quotation: يَكُلُّ فَنِّ رِجَالٍ i.e., every skill has its own expert; therefore, search such Islamic brothers who have the capability to increase the Madani donations. A committee under Rukn-e-Shura Haji Abdul Habeeb Attari to be formed consisting of 26 such Islamic brothers and Haji Abdul Habeeb Attari would train them. The Madani Mashwarah of this Majlis will be held on 31st December 2015 after the weekly congregation and on the next day (Friday), there will be a congregation of personalities in Sardar Abad (Faisalabad) اِنْ شَاءَ اللهُ عَزَّوَجَلَّ.
- ❖ Safety of Madani donations is necessary and the system of safeguarding should so strong that no one could commit breach of trust.
- ❖ It is easier to accuse somebody of breach of trust but difficult to prove it.

Self sufficiency

Nigran-e-Kabinaat should hold Madani Mashwarah of different departments. Along with other Madani pearls, income and expenses should also be discussed and the mind-set of self-sufficiency should be made, in this way, each department should be made self-sufficient.

Majlis Madani Qafilah

- ❖ Madani Qafilah is the soul and essence of our movement.

- ❖ The blessed act of area visit for calling people towards righteousness is a machine to prepare Madani Qafilahs, all Islamic brothers should carry it out at least once in a week. All responsible Islamic brothers should be habitual to travel with Madani Qafilah in a month and at least once in a week they should attend area visit for calling people towards righteousness.
- ❖ All Madani Qafilahs of Kabinah should travel as per schedule to those Masjids / cities of Kabinah where famous Urs take place and set the Qafilah date according to the schedule of Urs.

Madani Qafilah of A'immah Kiraam

- ❖ Those Imam Islamic brothers of Dawat-e-Islami who are unable to travel with a 3-day Madani Qafilah must spend three days of Madani Qafilah in their Masjid and persuade their Muqtadis (followers) to join Madani Qafilah and spend 3 days according to the schedule. (Majlis A'immah, Jami'a-tul-Madinah, Madrasa-tul-Madinah and Islamic brothers related to other departments who are doing Imamat [leading prayers] all are included in this category)

Jami'a-tul-Madinah

- ❖ The members of Shura and the Nigran-e-Kabinaat should hold Madani Mashwarah of the teachers and students of Jami'a-tul-Madinah and persuade them to carry out Madani activities.
- ❖ All Jami'a-tul-Madinah under Kabinaat should be given time.
- ❖ There will be many Jami'a-tul-Madinahs in a big city; their teachers and students should be gathered at one place. (Consultation with the responsible Islamic brothers of Jami'a-tul-Madinah is necessary for this)

New planning

- ❖ The members of Shura should make a schedule to visit Jami'a-tul-Madinah, Madrasa-tul-Madinah and other Sunni Madaris as well.

- ❖ Those new Islamic brothers who show distinctive performance should be invited and encouraged while giving them importance.
- ❖ Visit the sick Islamic brothers, comfort and extend condolences to them.
- ❖ Under Majlis-e-Rabitah, one responsible Islamic brother should be appointed for each Police Station who will pay visits to Police Station for calling people towards righteousness. Target: 126 days.
- ❖ Majlis Social Media has been formed whose Nigran is Rukn-e-Shura Haji Abdul Habeeb Attari.
- ❖ In Central Majlis Shura, Rukn-e-Shura Sayyid Muhammad Luqman Babu has been given the responsibility of Majlis-e-Ta'miraat.
- ❖ The responsibility of 'Majlis Izdiyyad-e-Hub' has been given to the Rukn-e-Shura Muhammad Baghdad Raza Attari.
- ❖ The responsibility of constructing Masajid in the posh areas has been given to Haji Ya'foor Raza Attari and the same responsibility of constructing Masajid in the villages has been given to the Rukn-e-Shura Muhammad Farooq Jilaani Attari.

Do read

- ❖ Whatever booklet or book is published by Maktaba-tul-Madinah, do buy it.
- ❖ Without reading and studying, life is desolated, do read which will change your way of contemplation and pondering and whoever reads can deliver Bayan easily.
- ❖ When preparing Bayan, think on this aspect too that who are the listeners? Then make preparation accordingly. **إِنْ شَاءَ اللَّهُ عَزَّوَجَلَّ** your Bayan will be effective and revolutionary.
- ❖ The parables of the lives of the pious predecessors **رَحِمَهُمُ اللَّهُ تَعَالَى** play an important role in reforming people.

- ❖ Booklet 'Faizan-e-Baba Fareed' contains best material.
- ❖ All the members of Shura and the Nigrans of Kabinaat should bring performance report of their reading-habit from the month of Muharram 1437 to the next Madani Mashwarah. It may also consist of the performance of the recitation of Glorious Quran.

Pay attention

- ❖ All the responsible Islamic brothers should pay attention to the Sunnat-e-Qabliyyah, Nawafil-e-Badiyyah, Takbeer-e-Tahreemah and daily Fikr-e-Madinah along with other Faraaid, Wajibat and Sunnat-e-Muakkadah and make themselves habitual of these acts.
- ❖ Wear badge (prescribed by Ameer-e-Ahl-e-Sunnat), this is also a source of calling towards righteousness.
- ❖ Those monthly schedules of responsible Islamic brothers which lack a 3-day Madani Qafilah are imperfect.

Waqf Amlaak

- ❖ It is necessary for us to safeguard the waqf-Amlaak and Maliyaat etc., of our city and division.
- ❖ Prepare the content containing questions and answers about the Waqf Amlaak. All responsible Islamic brothers should read it and should give a test so that they remember the necessary laws and rulings of Waqf. (Muhammad Aqeel Attari will carry out this Madani activity. Target: 63 Days)

Find capable Islamic brothers and train them

- ❖ Strengthen the system; for this, it is mandatory to find capable Islamic brothers. Think before assigning any responsibility to anybody that whether he abides by Shari'ah or not? Is he suitable for it? Will he fulfil the prerequisites of this position? Does he have a mind-set to seek Shar'i guidance from Dar-ul-Ifta Ahl-e-Sunnat according to the organisational way of Madani activities? Will he fulfil the Shar'i

requisites in spending Madani donations? Is he careful about Deen? etc.

- ❖ Our responsible Islamic brothers should be capable of understanding the Shar'i laws and rulings along with organisational matters.
- ❖ Every responsible Islamic brother should be sensitive in Shar'i matters and capable of leading prayers.
- ❖ Make such a Madani training system that your subordinates are trustworthy and submissive to Shari'ah and organisation.
- ❖ In order to bring substitute, train capable Islamic brother, this is not an easy job, it requires sufficient time.

Madani Mashwarahs all over Pakistan Divisions

- ❖ Islamic brothers from Kabinaat should visit their divisions and hold Madani Mashwarah there with concerned Islamic brothers in Safar-ul-Muzaffar 1437 and persuade them to strengthen the 12 Madani activities. There should be such capable preachers who could hold Madani Mashwarah at Division level. Choose adequate Islamic brothers in a Kabinaat who could hold Madani Mashwarahs of 5 Divisions. Complete these Mashwarah from 10th Safar-ul-Muzaffar to 20 Safar-ul-Muzaffar 1437 A.H. Nigran-e-Pak Kabinah Haji Muhammad Shahid Attari will train those Islamic brothers who would hold Madani Mashwarahs via Satellite on Sunday 22 November from 8.p.m to 11.00 p.m. إِنْ شَاءَ اللَّهُ عَزَّ وَجَلَّ

Schedule of Attar's prince (son)

- ❖ The son of Attar, Maulana Al Hajj Abu Usayd, Ubayd Raza Attari Madani will visit different cities (of Pakistan) along with Arakeen-e-Shura (members of Shura), Haji Muhammad Ammad Attari Madani and Haji Baghdad Raza Attari, deliver Bayan in the congregations of Majlis Izdiyyad-e-Hub and meet people. In this Madani Qafilah, Ameer-e-Qafilah will be Rukn-e-Shura Haji Muhammad Ammad Attari Madani. Nigran-e-Kabinah and Nigran-e-Kabinaat will also participate in these congregations. Invite the Islamic brothers of 'Majlis Izdiyyad-e-Hub' and after the Bayan

if there is no Shar'i and organisational obstacles, assign them any organisational responsibility.

- ❖ The 12-day Madani course of Jami'a-tul-Madinah, Amjadi Kabinaat is continued and approximately 900 students are taking part in this course.
