Excellence of Duurood

Siddiq-e-Akbar رَضِيَ اللَّهُ عَنْهُ said: Reciting Duurood upon the Holy Prophet صَلَّى اللَّهُ عَلَيْهِ وَآلِهِ وَسَلَّمَ wipes out the sins even faster than water extinguishes fire, and reciting Salam upon the Most Beloved Prophet صَلَّى اللَّهُ عَلَيْهِ وَآلِهِ وَسَلَّمَ is greater than freeing slaves. Virtues of humility

Allah has stated in Part 22, Surah Ahzab, Ayah 35:

إِنَّ الْمُسْلِمِينَ وَالْمُسْلِمَاتِ وَالْمُؤْمِنِينَ وَالْمُؤْمِنَاتِ وَالْقَنِينَ وَالْقَنِينَ وَالصَّادِقِينَ وَالصَّادِقَاتِ وَ
 الصَّابِرِينَ وَالصَّابِرَاتِ وَالْخَشِيعِينَ وَالْخَشِيعَاتِ

Certainly, the Muslim men and women, the believing men and women, the obedient men and women, the truthful men and women, the patient men and women, the humble men and women,

The Last Prophet صَلَّى اللهُ عَلَيْهِ وَآلِهِ وَسَلَّمَ stated: **إِنَّ اللَّهَ أَوْحَى إِلَيَّ أَنْ تَوَاضَعُوا حَتَّى لَا يَفْخِرَ أَحَدٌ عَلَى أَحَدٍ** i.e., Allah has revealed to me that you should be humble towards one another so that none of you boasts to another. (*Muslim, p. 1174, Hadith 7210*) Concerning this Hadith, Hakim-ul-Ummah, the exegetist of the Quran, Mufti Ahmed Yar Khan Na'eemi رَحِمَهُ اللهُ عَلَيْهِ said: That is, be humble so that a Muslim should not boast to another Muslim in wealth, lineage, dignity, or strength. (*Miraat-ul-Manajih, vol. 6, pp. 506-507*)

Five sayings of the Most Beloved Prophet about humility

1. If you are humble and sit with the poor, you will achieve a high rank in the court of Allah and get rid of arrogance. (*Kanz-ul-'Amaal, juzz 2, vol. 3, p. 49, Hadith 5722*)
2. Learn knowledge. Learn serenity and dignity for knowledge, and be humble towards the one you learn knowledge from. (*Mu'jam-e-Awsat, vol. 4, p. 342, Hadith 6184*)
3. It is incumbent upon you to be humble, and for sure, the true origin of humility lies at the heart. (*Kanz-ul-'Amaal, juzz 3, vol. 2, p. 49, Hadith 5724*)
4. If anyone becomes humble towards his Muslim brother, Allah will grant him a high rank, while if anyone wants superiority over him, Allah casts him into humiliation. (*Mu'jam-e-Awsat, vol. 5, p. 390, Hadith 7711*)
5. Sitting at a low place in a gathering is also being humble for the sake of Allah. (*Mu'jam-ul-Kabeer, vol. 1, p. 114, Hadith 205*)

Use humble words

- ❖ Narrated by Hazrat Abu Huraira رَضِيَ اللهُ عَنْهُ, the Holy Prophet صَلَّى اللهُ عَلَيْهِ وَآلِهِ وَسَلَّمَ stated: Hazrat Jibril came to me and said: O Muhammad صَلَّى اللهُ عَلَيْهِ وَآلِهِ وَسَلَّمَ. Mufti Ahmed Yar Khan رَحِمَهُ اللهُ عَلَيْهِ said that calling the Most Beloved Prophet صَلَّى اللهُ عَلَيْهِ وَآلِهِ وَسَلَّمَ merely by name is strictly prohibited. Since our Lord calls the Noble Prophet صَلَّى اللهُ عَلَيْهِ وَآلِهِ وَسَلَّمَ by titles like Nabi, Rasul, Muzzammil, and Muddassir, how can people call him merely

by name? These may be the Holy Prophet's words. Hazrat Jibril would have called him respectfully, but Prophet Muhammad quoted him humbly. (*Miraat-ul-Manajih, vol. 1, p. 271*)

- ❖ If someone has used respectful words for you like Haji Sahib, you should not repeat the same words in your explanation, but rather you should use humble words.
- ❖ No matter how tall you are, stay grounded, otherwise, you won't be able to stand. Do not let arrogance enter your heart due to your level and position.

Advantages of humility

- ❖ There are a lot of advantages of humility.
- ❖ Angels make Du'a of elevation for the humble one.
- ❖ There is good news for the humble person.
- ❖ The humble people will be sitting on the pulpits on Judgement Day.
- ❖ Allah grants humility to the one whom He keeps beloved.
- ❖ A humble person is granted elevation up to the seventh sky.
- ❖ Allah shows mercy on the humble one. (*Drived from, Ihya`-ul-'Uloom, vol. 3, p. 1001*)

Fulfil people's needs

- ❖ The one with whom people's needs are associated should be available for people at all times.
- ❖ People come to the influential people with their problems. To resolve them, they sympathise, persuade, provide suggestions for solutions, or take measures by themselves to resolve their problems.
- ❖ He is fortunate to whom people come to gain guidance. Be thankful for this blessing.
- ❖ Give time to the devotees of Rasul.

Important points about the training of representatives

- ❖ A merciful person teaches you a way of living. Education does not eliminate ignorance in an ignorant person. Similarly, no one can attain guidance through writings or statements the spiritual leader has made. If it were that simple, everyone would have been enlightened. Instead, it is the one who understands the silence of the spiritual leader who can truly reach guidance. The spiritual leader's words are light which are meant to guide a disciple to him, highlighting the importance of silence.
- ❖ Nigran and representatives need to possess the ability to absorb and observe positively. People with these capabilities excel in performing religious activities excellently. Representatives should have this capability, allowing them to deliberate and decide which religious activities to perform in what manner. With this capacity, they can fulfil their tasks with excellence, as designated by their Nigran.
- ❖ If subordinates understand their Nigran's nature and organisational manner, religious activity will become easier like in the era of the Holy Prophet, the companions would understand the blessed gesture and face of the Most Beloved Prophet.
- ❖ The one who cannot observe, analyse, understand deeply, and observe can't fulfil his responsibility with excellence.
- ❖ There is a difference between conveying your message to someone and convincing him. A Nigran should convey his message, resolve his subordinates' problems, difficulties, and evil whispers with excellence, and prepare them for any religious activity.
- ❖ Some people are bent on not understanding and not following you. Therefore, according to the suitable nature and time, handle them strategically.
- ❖ In addition to your organisational engagement, keep a routine and schedule of individual worship, such as reciting the Quran, studying Tafsir, memorising 40 Ahadith as well as invocations and supplications, so that your every moment can be

utilised, because when a person doesn't perform useful activities, he ends up performing useless activities.

- ❖ Reading a good sentence once is not enough, but rather it is useful to read some sentences multiple times.
- ❖ A bowl doesn't get filled with dew, but it is filled with water. Dew only produces moisture. Similarly, a spiritless effort is not enough for any activity; it requires a determined effort.
- ❖ Always be in learning mode and keep improving your capability.
- ❖ All the strings can break, but the string of a spiritual connection does not break.
- ❖ Your statement should be concise but comprehensive.
- ❖ Live in this world like a traveler.
- ❖ Make Ameer Ahl-e-Sunnat your standard in every walk of your life. You will remain safe from going astray.
- ❖ Let Allah's fear prevail over you in your youth, and His mercy envelop you in your old age. This is because when you allow Allah's fear to overcome you in your youth, you will be spared from the whispers of Nafs and Satan. And when Allah's mercy prevails over you in your old age, you will be comforted.
- ❖ The religious activities should be performed with the pain and passion for the Ummah. Anyone who is blessed with the pain for the Ummah, a sense of responsibility will develop within him.
- ❖ When a responsibility is important, it also increases the important requirements. Therefore, there are some rules and regulations for these designated people.
- ❖ Give your family quality time – for example, have a meal with them, listen to them, don't keep a mobile phone during this. If your domestic affairs are friendly, it is easy for you to perform religious activities. The man of the house plays a vital role in these circumstances, such as giving time to household members, forgiving and tolerance, smiling, bringing groceries, taking part in the domestic chores,

appreciating good measures, and trying to eliminate any shortcoming with excellence etc.

- ❖ Using common sense is important. It is not good to visit someone's house and ask for their wi-fi password or hotspot.

Make preparations before going on a journey

- ❖ When you are going to travel, consider the following points. Instead of keeping these points in mind, it is better to save them in writing: purpose of travelling, specification of activity, and targets.
- ❖ Get information from the respective department or representative about the place you are going to visit if someone has already visited the place; if someone has already travelled, what was the purpose of visiting that place? If your activity or purpose is the same, get information as to when such an activity was performed last, what their action points were, and what its result was. If you have obtained all information, study it before travelling.
- ❖ How much are your total travelling expenses? Make an estimate of ticket, accommodation, food, etc. Moreover, include the expenses of the participants of your Madani Mashwarahs.
- ❖ Who accompanies you in your journey? Make him your companion who can benefit you religiously and organisationally or you can benefit him.
- ❖ Get information about the place you are going to visit.
- ❖ Get information about the person you are going to meet as to whether he will be able to give you time or not.
- ❖ Decide beforehand where you are going to stay so that you can take proper rest and perform religious activities.
- ❖ Your visiting place's Nigran and representatives should know about your complete schedule so that they can be ready for it, you don't feel any inconvenience, and you can achieve the purpose for which you are travelling.

Important points regarding performance

1. While briefing your Nigran about the performance through a presentation, etc., there should be a difference whether you are giving information to the Nigran about the performance or giving your own performance. If you have to give your own performance, it is necessary to compare previous performance and target.
2. Instead of having any delusion, find out your weaknesses and take measure to further improve them.
3. Critically analyse the performance while comparing with a target at every level.
4. When discussing performance, focus on the specific city or place where an activity takes place. If an activity is unique to a particular city or place, we will simply mention the city or place's name without specifying that it is also happening throughout the country, province, division. Even if an activity is relatively small or limited to a single location, we will still consider it a part of the broader religious activities, but keep in mind that we must increase the religious activities in every region.
5. Before giving performance, critically analyse it out of Allah's fear so that you may not tell a lie, overstate, or have any misconception.
6. The reformation of intention is crucial in every matter. Remember! Performing a religious activity so as to maintain any responsibility can make you lose the reward on Judgement Day.
7. In addition to obtaining a report from the subordinate, assist him in performing the religious activities. The report will be improved automatically.
8. It is necessary to find out the reasons of weaknesses in any religious activity or department or else it will be difficult for you to overcome weaknesses.
9. Merely trying so as to achieve a target is not success, but rather achieving a target is success.
10. Perform your activities smartly so that more religious activities can be done in less expenses. Including an IT expert with you in consultations can be useful.

-
11. Ponder over the activities that have been planned. Keep guiding the representatives to do some creative work as well.

Important points regarding Madani Mashwarah

12. Make preparations of Madani Mashwarah beforehand at every level. The participants of Madani Mashwarah sacrifice their time, money, etc. and travel for Madani Mashwarah. Please value their sacrifices.
13. The Muballigh should continue studying books. If the study is fresh, you will keep finding fresh stuff for Madani Mashwarah. Ameer Ahl-e-Sunnat **داعية بركاتهم العالوية** is very fond of studying.
14. In Madani Mashwarah, speaking according to the suitable time will increase the interest of participants. (For example, if it is Rabi-ul-Awwal, conduct Mushawarat about this month on the predetermined activities in Madani Mashwarahs. However, it is necessary to examine the predetermined activities.)
15. Keep the outline of religious activities' performance in Madani Mashwarahs, because you can be asked about your responsibilities at any time.

Study the blessed life of the Most Beloved Prophet **صلى الله عليه وآله وسلم**

16. On the occasion of Rabi-ul-Awwal 1446 AH, Maktabah-tul-Madinah has published a special edition of Monthly Magazine Faizan-e-Madinah, 'Seerat-e-Khatam-un-Nabiyyeen' Buy, read, and distribute it as well.

19. As soon as the month of Rabi-ul-Awwal arrives, start hoisting flags and making illuminations at your home. (About making illuminations, read the Fatwa of Dar-ul-Ifta Ahl-e-Sunnat and act accordingly.)

23. Conduct Mashwarah beforehand with the Muballigheen and Naat reciters of Milad congregation.
24. The Milad congregation of the eve of 12th Rabi-ul-Awwal should be conducted in large areas as much as possible.
25. Conduct Milad congregation from 1st to 12th Rabi-ul-Awwal at different Masjid at UC level. (12 speeches will be issued by Pakistan Mushawarat Office.)
26. In Faizan-e-Madinah and Masjid of Dawat-e-Islami, from 1st to 12th Rabi-ul-Awwal, conduct recitation of the Quran, Naat, short Bayan, short Salat and Salam, and Du'a on a daily basis after any Salah.
27. Decide the route of Milad procession beforehand and try to organise the participants excellently.
28. In a Milad procession, all departments of Dawat-e-Islami, especially Jamia-tul-Madinah, Madrasah-tul-Madinah, Madrasah-tul-Madinah for adults, Imam Masjid, Faizan-e-Madinah, Dar-ul-Madinah, etc. should be fully represented.
29. In a Milad procession, every department should have its own banner on which the department's name and 'long live Dawat-e-Islami' should be written prominently.

The devotees of Rasul from this department should walk together behind this banner.

Madani Qafilah Department

30. The target of three-day Madani Qafilahs every month is one Madani Qafilah for every ward.
31. To strengthen Madani Qafilahs, improve the other 11 religious activities.
32. The members of Markazi Majlis Shura, Zaili Nigran, and all Islamic brothers associated with the departments should travel with the Madani Qafilahs.
33. Appoint a Madani Qafilah representative and train him until he is capable of being the Amir of Qafilah.
34. The period of 15th Nov to 15th Dec 2024 will be celebrated as the month of Madani Qafilah. The representatives should travel by themselves with this campaign and persuade others to do the same.

12 religious activities

35. Try to promote a religious activity according to the organisational mindset and nature of Ameer Ahl-e-Sunnat.
36. Strengthen the 12 religious activities in every Zaili Halqah. Weakness in the 12 religious activities can weaken the organization.

Jamia-tul-Madinah and Madrasa-tul-Madinah

37. How can the buildings of Jamia-tul-Madinah and Madrasah-tul-Madinah across the world be utilized for other activities? Majlis Jamia-tul-Madinah and Majlis Madrasa-tul-Madinah should work on it. Target: 20 Oct 2024
38. Provide the names and contact information of those overseas and devotees who are associated with Jamia-tul-Madinah, Madrasa-tul-Madinah, and other places but have relocated to another country for either employment or education purposes.

Weekly Ijtima' and Madani Muzakarah

41. In a weekly Ijtima', Muballigheen should deliver Bayan at different places.
42. Fix the place of weekly Madani Muzakarah and present invitations throughout the week. At the end of the Ijtima', after meeting the participants and making individual efforts, assign the responsibilities of religious activities. Keep in contact with those who made intentions.
43. In Ijtima'at and Madani Mashwarahs, a chair should be used in case of any excuse.
44. Ameer Ahl-e-Sunnat's nature is simple and he likes simplicity. Instead of running Dawat-e-Islami according to your or someone's nature, it is better to follow Ameer Ahl-e-Sunnat's nature.

Distribution of booklets

45. Occasionally, instead of distributing the famous books published by Maktabah-tul-Madinah, distribute different booklets of Ameer Ahl-e-Sunnat and obtain a target for reading them. You should be able to determine who receives which booklet.
46. Give the representatives the mindset of distributing the booklets.

Madrasa-tul-Madinah for adults

Madani Mashwarah of International Affairs Department

---------------------------------	--	----------------

Important points for subcontinent and other representatives

51. Keep motivating your Nigran and representatives about different invocations and supplications.
- ❖ Keep your outfit simple and according to the Sunnah. However, you can follow the outfit of respected scholars and decent people from the culture and country you are living in.
 - ❖ Consider all the religious activities of Dawat-e-Islami. See how you can enter a certain country through which department or religious activity.
 - ❖ In Madani Mashwarahs, discuss the importance of Madani channel and promote its viewership.
 - ❖ *All religious activities of Dawat-e-Islami serve as entry points for people to enter into Dawat-e-Islami.*

-
- ❖ Keep in strong contact with the Madani centre of Dawat-e-Islami and reply on time. Do not leave any task pending.
 - ❖ Dawat-e-Islami operates according to the nature of Ameer Ahl-e-Sunnat, not according to anyone else's nature
 - ❖ Eat with your hand as much as possible. If need be, use a spoon.
 - ❖ According to the Pious Deed no. 43, follow cleanliness and good manners.
 - ❖ Travel with a three-day Madani Qafilah every month and ensure accountability daily according to Pious Deeds.
 - ❖ Fill the Madani Markaz Faizan-e-Madinah of Dawat-e-Islami up according to their capacity.
 - ❖ In an area, people make an estimate of the religious activities of Dawat-e-Islami from certain religious activities, such as the number of participants in a weekly Ijtima', number of Islamic brothers wearing 'Imamah, number of students in Madrasah-tul-Madinah for adults, Madani Qafilahs and Dars of Faizan-e-Sunnat, etc.
 - ❖ Whoever wants a balance in seriousness, smile, and humour, he should keep studying the blessed life of the Final Prophet.
 - ❖ Buy the newly published book of Maktabah-tul-Madinah, Seerat-e-Khatam-un-Nabiyyeen and persuade others to do the same. Distribute it. Read other books of Maktabah-tul-Madinah as well. Reading will improve your life and increase your knowledge. إِنْ شَاءَ اللَّهُ عَزَّوَجَلَّ
 - ❖ Teach Arabic and Urdu at Madrasah-tul-Madinah and Jamiah-tul-Madinah. If a better method that can be adopted exists, adopt it.
 - ❖ Continue to facilitate the process of teaching Arabic and Urdu strategically to the people of Dawat-e-Islami, because after Arabic, there is a vast Islamic literature available in Urdu, which is an excellent source of acquiring religious knowledge.

Organising large Ijtima'at

52. Conduct three-day Ijtima'at across the world.
 - ❖ Through these Ijtima'at, get people to travel with the Madani Qafilah.
 - ❖ In one Ijtima', only those countries which can be travelled by road should be *included*.
 - ❖ When deciding the dates of Ijtima'at, consider the weather, holidays, and other crucial factors.
 - ❖ Madani Qafilahs should travel before and after one month of the Ijtima'.
 - ❖ International Affairs Department is supposed to create the schedule of a three-day Ijtima'. Target: 25 Sep 2024

Expand the religious activities

53. International Affairs Department should particularly focus on the countries whose people relocate to other countries for employment. Strive to expand the religious activities of Dawat-e-Islami in the big cities of these countries.
54. Continue to expand the religious activities of Islamic brothers and Islamic sisters equally.
55. A person must awaken to decipher the meaning of a dream. Similarly, those who aim to expand religious activities have to dedicate themselves to making continuous efforts to achieve their goal.

Travelling to different countries

56. To take on the religious activities of Dawat-e-Islami in various countries, fill Masajid, and make people travel with the Madani Qafilahs, prepare Muballighen and make them travel.
57. In some countries, sometimes, we need a family in which the Islamic brother is Muballigh and his wife is Muballighah. Prepare such families across the world.

58. The Muballigh should fulfil all the conditions of Imamah and have experience of supervision. He should know English or Arabic language. If he's Hafiz and Madani, it will be better.
59. Those Muballigheen who travel from their country to another country should take it as their target to perform religious activities among the devotees of Rasul, transcending nationalities.

Madani Mashwarah of 'Alami Madani Mushawarat (Islamic sisters)

(Remember! The participation of Islamic sisters from 'Alami Madani Mushawarat is held separately at a covered place.)

18 Safar-ul-Muzaffar, 1446 AH	Global Madani Centre Faizan-e-Madinah, Karachi	24 Aug, 2024
----------------------------------	---	--------------

One-to-one Madani Mashwarahs

1. Conduct one-to-one Madani Mashwarah of your subordinate Nigran and representatives live. If face-to-face Mashwarah is not possible, conduct it online.
 - ❖ Make these Madani Mashwarahs part of your important activities.
 - ❖ Through these Madani Mashwarahs, you will make an estimate of the capabilities of representatives, while weaknesses will come to surface.
 - ❖ Take note of weaknesses. Following 'the chests of decent people are the graves of secrets'; these weaknesses should be kept safe with you only. No one else should be aware of them.
 - ❖ In case of weakness, rectify them nicely. Tell them the ways of overcoming the weakness.
 - ❖ If even after helping them understand and then advising them, they fail to overcome their weakness, replace the representative according to the predetermined manner. Negligence in this work will lead to embarrassment for the Nigran and undermine the impact of a religious activity.

2. Before replacing anyone, give them a chance to improve their performance. JD and targets should be finalized and try to expedite the process of improvement. If they do not improve until the deadline, the responsibility should be changed.

Religious training of children

3. In various countries, it is necessary to keep children associated with any educational academy for at least 16 years. Introduce new projects for children in Dawat-e-Islami's religious institutions like Madrasah-tul-Madinah, Jamia-tul-Madinah, Dar-ul-Madinah, Faizan Weekend Islamic School, Education Department, Madani courses, etc., according to need and nature. Conduct various courses for girls of 13 to 19 years of age. Target: 20 Oct 2024

Empowering strong Muballighat

4. To eradicate transgression, erratic behaviour, and distance from the religion, it is essential to empower strong Maballighah Islamic sisters who can effectively communicate the message, are passionate about calling towards righteousness, and have a fervent desire to reform society.
5. There is a need for equally focusing on all the nationalities from all the countries and getting them associated with Dawat-e-Islami. Take practical measures for protecting the faith, beliefs, Islamic ideologies, behaviours and manners of their children.
6. All Islamic sisters should keep making their Maharim travel with the Madani Qafilahs with punctuality.

Sunnah-inspired Ijtima'at

7. In the Sunnah-inspired Ijtima'at of Nigran and representative Islamic sisters held under the supervision of International Affairs Department, besides a usual schedule, decide a separate schedule, separate timing of meeting, and points to be discussed in it for the Nigran and representatives from various countries. Target: 20 Oct 2024
8. In the big events of departments, the audio / video link of Nigran-e-Shura and the time of speech can be obtained through the Nigran of 'Alami Majlis Mushawarat.

-
9. In the big Ijtima'at and the events of departments, conduct the speeches of Nigran-e-Shura, and if Nigran-e-Shura is travelling, a recorded speech can be obtained.
 10. On the first 12 days of the month of Rabi-ul-Awwal, conduct Milad Ijtima'at at different places across the world at UC or sector level (or any other level that country Mushawarat decides in their country).
 11. In the month of Rabi-ul-Awwal, hoist flags at your houses from the first day of Rabi-ul-Awwal. Islamic sisters should ensure that at least one flag is hoisted and a set of string lights is suspended at every Islamic sister's house who is associated with Dawat-e-Islami.

Travelling schedule

12. If you create a schedule of more countries in fewer days, the responsibility of this act increases in a way that this journey brings maximum benefits for these particular countries. When we travel to go there, the representatives are hopeful there that now the religious activities will thrive and the issues will be resolved. Therefore, schedule should be made properly so that the religious activities may benefit from it.
13. In order to organise the record of different religious activities, strengthen the office system. There should be a continuous follow-up system on the targets determined in the Madani Mashwarahs. In every Madani Mashwarah, it is necessary to analyse the predetermined targets.

Online Madani Mashwarahs

14. During online Madani Mashwarahs, any organisational weakness should not be revealed as much as possible.

Blessings of Sahabiyaat Department

15. Madani centres Faizan-e-Sahabiyaat of Islamic sisters should be increased. In the buildings of Faizan-e-Sahabiyaat, any office of security / admin / coordination department for Islamic brothers should not be made at all. For security, a retired

lady constable can be appointed. However, regarding administrative matters, there should be full and timely cooperation from Islamic brothers.

Madrasah-tul-Madinah for female adults

16. The month of Safar is the month of Madrasah-tul-Madinah for female adults. The weekly performance for this religious activity should be submitted. Target: 25 Sep 2024

Miscellaneous points

- ❖ The Islamic sisters whose Mahram can travel with them should be made representatives and Nigran as much as possible.
- ❖ In the training Ijtima', organisational questions should come from the representatives. Training is done better in this way.
- ❖ The number of Islamic sisters watching the weekly Madani Muzakarah should be increased further.

9 Rabi-ul-Awwal 1446 AH, 14 September 2024
